  - Loppet Foundation is based in Theodore Wirth Park
  - Tubing hill is open Friday - Sunday with a tow rope
  - Rentals - snowshoes, fat tire bikes, skis
  - Programs - Trail kids clinics, Skate and Ski Clinics, Snowboard lessons
  - Partners - Melanin in Motion, lessons and snowboarding, Eloise Wildlife Center to provide nature activities - tree id walks, winter track and birding walks, knitting near nature. Nature story time on Thursday.
  - January - BIPOC Ski Club, meets every Friday night and partnering with Courage Kenney for adaptive skiing
  - Events - Winter Festival Feb 1 and 2 - races, skiing with dogs
  - Luminary Loppet - Feb 8 at Lake of the Isles, art exhibits make of ice and candles
  - LBNA Ideas -
    - Events at our parks, bring things for youth and adults to do
    - Some of our community can't afford skiing - scholarships?
      - Loppet had discount codes and punch cards that they can give out for people who need financial assistance.
    - What would it mean to be a community partner?
      - Could include hosting an event at the space, offering a discount at events, could host a tubing day at the Loppet
- EMS Pathways Academy Program - Pathway for BIPOC Youth to see if they are interested in these careers. More information [here](#).
- Logo discussion - [samples](#), strong support for option 2. Board would like to see it in a softer font, spell check neighborhood, and water under the houses.
- Youth Coordinator Updates - Tyjuan will send out his plan for feedback. He has reached out to CM Vetaw's Office, met with the Webber-Camden Neighborhood, and NCR Neighborhood Representative. Recommends that we partner with Jenny Lind. Needs assessment will be finalized before the next meeting.
- Outreach Coordinator - Holiday on 44th, Winter Solstice, tabling at Kroening. Attended the first meeting with the Northside Resilience Hub. Marlena would like to see if people would be interested in a reliance hub in the Lind-Bohanon neighborhood.
- LBNA February 13 Board Meeting - Agenda suggestions requested - Mpls Climate Action
